Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book follows Bitcoin users as their value moves through the blockchain. These situations are based real life stories and provide insight into who is using Bitcoin, what advantages the platform offers and why people choose Bitcoin over conventional bank products. Bitcoin is a new innovative version of electronic cash. The payment platform delivers a wealth of advantages to all users. For those without access to regular banking services, Bitcoin has proven to be extremely beneficial. However, just as anonymous cash notes are preferred by criminals to help conceal their activity, Bitcoin is also preferred by some of the world s worst criminals. Every day, Bitcoin moves through the blockchain advancing freedom around the world, and every day Bitcoin also caters to anonymous illegal activity. With any electronic cash product, such as Bitcoin, it is impossible to have the good without the bad. While this is a fictional tale, it is based on actual situations, people and events from today s headlines and the author s 15 years of digital currency experience. The book also details some of the flawed actions of government agencies and prosecutors in their ongoing attempts to curtail illegal Bitcoin activity. It is also necessary to understand that in today s info-apocalypse world, those seeking to destroy another s reputation will directly associate that party with terrorism, child pornography, money laundering or drugs. This statement rings true throughout the past decade of digital currency media coverage. Characters: Seattle, Washington Julia longtime boyfriend Steven are in their late twenties and living just outside of Seattle. The couple recently became Bitcoin miners. They are enthusiastic Bitcoin supporters, attend local Meetups in the area and generously donate...
